

For FFB & Recycle &
All Kind of Cash Payment

Cashless Payment Solutions within Domain System

Advantages

Reduced Cash Reserves:

Minimize the need for large cash reserves, improve liquidity, and simplify financial management.

Cost Savings:

Reduce cash handling, transport, and manual process costs as it eliminates the need to outsource to cash transport services, reducing operational expenses associated with cash handling and transportation.

Instant Fund Transfer:

Receive money in just 1 second, with funds instantly reflected in your Touch 'n Go Wallet.

Key Features

- Able to receive up to RM20,000 cash in Touch'n Go e Wallet.
- Able to transfer up to RM120,000 cash in one month
- Able to transfer a maximum of RM360,000 cash in one year.
